

JIRA SOFTWARE

ROADMAP

BACKLOG

BOARD

The screenshot shows the Jira web interface for the 'ABLCSDW board'. The browser address bar shows the URL: `shivaranjanin.atlassian.net/jira/software/projects/ABLCSDW/boards/2`. The top navigation bar includes 'Your work', 'Projects', 'Filters', 'Dashboards', 'People', 'Apps', and a 'Create' button. A search bar is also present.

The left sidebar displays the project 'Ai based localization cl...' with a 'Software project' icon. Under the 'PLANNING' section, there are links for 'Roadmap', 'Backlog', and 'Board' (which is currently selected). Under the 'DEVELOPMENT' section, there are links for 'Code', 'Project pages', 'Add shortcut', and 'Project settings'. At the bottom of the sidebar, it states 'You're in a team-managed project' with a 'Learn more' link.

The main content area is titled 'ABLCSDW board' and shows a Kanban board with three columns: 'TO DO', 'IN PROGRESS', and 'DONE'. The 'TO DO' column contains a large blue circular arrow icon and a message: 'You haven't started a sprint. You can't do anything on your board because you haven't started a sprint yet. Go to the backlog to plan and start a sprint.' Below this message is a 'Go to Backlog' button. The 'IN PROGRESS' and 'DONE' columns are currently empty. The 'DONE' column has a green checkmark icon. A 'GROUP BY' dropdown menu is set to 'None'.

The bottom status bar shows the system clock as 05:43 PM on 19-11-2022, along with weather information (24°C, Partly sunny) and various system icons.
